## CURB STOCKS.

J. A. Minnear & Co. say today—

Very narrow markets again today and practically no features. Prices were slightly higher notwithstanding it is the general impression that the market is still being anxiously awaited.

Utah Copper was the most active issue in New York and sold 55 1/2. As we have repeatedly stated this is one of the best investments on the list. Even on 14 cent metal earnings are equivalent to about 10 per cent on the present selling price.

There has been steady buying of the better class of copper by investors and it is really good policy to put stock when markets are as dead as they have been the past week.

We are very friendly to New Cornelia and Braden Copper and believe both of these low priced copper should be selling much higher on intrinsic merits. In the speculative issue there are none better than South Lake and United Verde Extension, and while they may be slow ultimately they look much brighter.

# SAYS REVEREND CARRIES BOTTLE

## Wife of Rev. Van Slyke, Evangelist Sues for Divorce

Ann Arbor, June 19.—Mrs. Rose Van Slyke of Quincy, suing her husband, Rev. William Van Slyke, an evangelist, for divorce, told Judge E. D. Kline that the morning after her marriage to Van Slyke the pastor bridegroom had said to her, "Damn you! I want you to stop that," when he saw her speak to a man who was a former acquaintance of hers and she testified that profanity, obscene language and disgusting and revolting propositions had been made from her husband's lips at frequent intervals ever since.

Rev. and Mrs. Van Slyke were married at Allegan on April 3, 1912, and she alleged that his conduct became disgusting and revolting within a few hours of their marriage. She also accused the reverend gentleman of being a tippler and alleged that he usually carried a whisky bottle. She mentioned one specific instance when he had treated himself all day with whisky for an alleged stomach trouble and at night switched to beer with somewhat disastrous results.

At the time of the filing of the complaint, Mrs. Van Slyke was a resident of Ypsilanti.

Mrs. Van Slyke told of several instances of alleged cruelty, one of which was that her husband attacked her and beat her so that she bled.

# ADDITIONAL LOCAL PREPARATIONS ARE MADE FOR MILITARY FUNERAL

## REMAINS OF LATE PRIVATE OSCAR F. HENDRICKSON ARRIVE HERE.

The remains of Private Oscar F. Hendrickson of company B, 25th Infantry, U. S. A., whose death occurred at Vera Cruz on June 4, following a week's illness, arrived in Calumet last evening. They were taken to the home of the young man's parents, Mr. and Mrs. William Hendrickson of 19 Oak street, Tamarack. The remains are hermetically sealed in a copper sheathed casket draped in an American flag.

Final preparations for the military funeral Sunday were made today. Sunday morning at 9 o'clock the remains will be taken from the Hendrickson home and placed in the Calumet Light Guard armory, where they will lie in state until 2 o'clock in the afternoon, the hour set for the funeral. The flag at the armory will be raised and lowered to half mast at 9 o'clock and will remain at half mast until after the funeral. The guard of honor will be composed of members of the Calumet Engineers, Rev. W. H. Collycott of the Tamarack Methodist church will preach the funeral service, which will be held in the armory. The entire company of Engineers as well as Veterans of the Civil war and Spanish-American war, and the relatives and friends of the deceased will attend the services. Immediately after the ceremony, the funeral cortege, including the military band, will proceed to Lake View cemetery. Simple services have been planned for the graveside in the Soldier's plot at Lake View. Following a prayer by Rev. Collycott, the Calumet Engineers will fire the customary three volleys over the grave and Miss Margaret Houghton and Beatrice Hendrickson will sing.

It is probable that it will be impossible for the Houghton Light Infantry to participate in the services.

Private Hendrickson will be buried in his old dress uniform on the breast of which are pinned two medals, one for good service and the other for marksmanship.

It is expected hundreds of Calumet residents will manifest their sympathy for the sorrowing parents and respect for the honored dead by attending the services.

BOSTON, MASS. BANKERS AND BROKERS.

Boston, Mass., June 19.—There was nothing to inspire speculation today and volume was practically as small as any this year. Rock Island Collateral Trust Fours were the weak features and Utah Copper was a strong feature. There was no change in the local coppers. News from the metal markets is still discouraging with the price sagging and little demand. The rate decision is still being anxiously awaited, but its effect is doubtful.
